

CHAPTER- 2

KEY CHARACTERISTICS OF COMPETITIVE ADVANTAGES – STORY SIDE

We can understand the story of advantage by looking at the product itself, the people behind it, and the processes followed to make the product. We also look at the company's revenue model and cost structure to understand the story of the competitive advantage.

Then, we can evaluate the company's competitive advantages by analysing sales figures, pricing power, cost variables, margins, and industry parameters.

Join us as we take a closer look at these two sides of a competitive advantage.
