

Some other examples of the management being a competitive advantage for a company are:

**1. Warren Buffet for
Berkshire Hathaway**

**2. Ratan Tata
for Tata Group**

**3. Cristiano
Ronaldo for CR7**

3. BRAND OR MARKETING CAPABILITIES

If a company has a strong brand image, then it might be able to charge a premium for its products. This can be a very valuable competitive advantage for any company. Let us try to understand this with a few examples.
