Gold swallow

Nephrite heart

Gold brooch | This gold swallow in flight carries a nephrite heart. It signifies that, just as swallows always return, so too does the heart of the lover who wears the brooch.

Facing dragons

Symbol of long life

Pi disc | This traditional Chinese pi disc – a thick circle of jadeite with a hole bored into the middle – is said to be a medium of communication with heaven.

Oval cabochon shape

Diamonds

Nephrite ring | This white-gold man's ring is mounted with a cabochon of mid-toned nephrite and is framed by diamond-set shoulders.

Jadeite cabochon

Cosmic Clam Ring | Designed by Kent Raible in 2006, this granulated gold clam opens to reveal a gold ring set with jadeite, pearls, and diamonds.

Pearl

Sapphire

Silver

Pendant necklace | Made in about 1925 by Dorrie Nossiter, this pendant incorporates gold, silver, sapphire, tourmaline, and pearls with a central carved jade rose.

Classic colour mottling

Translucent surface

Nephrite bowl | The carving of this thin-walled bowl shows the colour mottling within the more limited colour range – usually shades of green – typical of nephrite.

Better to be shattered jade than unbroken pottery

Chinese proverb
