Gold "petals"

Sunflower | This delicately sculpted sunflower is made from yellow gold. Its petals have been etched with fine lines to create a textured appearance, and cut stones have been set in its stamens.

Gold "scales"

Gold, diamond, and sapphire bracelet | This antique bracelet from France takes the form of a serpent. Its head is set with a sapphire ringed with diamonds.

Woodgrain necklace | This American gold necklace has an unusual woodgrain texture. The clasp is cleverly concealed in one of the oversized links of the chain.

Stylized ears

Inca gold | Made in the 14th–15th centuries, this model llama from Peru is cast in high-karat gold. The animal's body has been pared down to simple geometric forms.

Engraved clasp

Charm bracelet | Bracelets like this one go in and out of fashion, but have the advantage of giving the wearer the chance to add personalized charms.

Onyx nose

Emerald eyes

Cartier panther 18-karat gold rings | The top ring is in yellow gold with green garnet eyes; the bottom one in white gold is set with 158 diamonds and emerald eyes.

Pink gold

White gold

Yellow gold

Bulgari triple-gold ring | Made by the house of Bulgari, this piece is composed of three rings of coloured 18-karat gold in different alloys – yellow, pink, and white.
