

Mesozoic Era

The word
"Mesozoic" means
"middle animals".

The dinosaurs lived for millions of years during a time called the Mesozoic Era. The Mesozoic Era was split into **three periods**.

Eoraptor

Plateosaurus

Coelophysis

TRIASSIC PERIOD
(251–200 million years ago)

Brachiosaurus

Compsognathus

Stegosaurus

JURASSIC PERIOD
(200–145 million years ago)
