

HOUSE

1 From fabric A, cut five 6.5 x 9cm (2½ x 3½in) rectangles and four 4 x 21.5cm (1½ x 8½in) strips. From fabric B, cut one 9 x 30.5cm (3½ x 12in) strip and one 4cm (1½in) square. From fabric C, cut two rectangles 5 x 9cm (2 x 3½in), one 8.25 x 4cm (¾ x 1½in), and one strip 21 x 4cm (8¼ x 1½in), two rectangles 9 x 11.5cm (3½ x 4½in), and one 6.5 x 14cm (2½ x 5½in).

2 On each of the two 5 x 9cm (2 x 3½in) fabric C rectangles, draw a diagonal line from corner to corner on the wrong side of the fabric. Place a rectangle in each of the corners of the fabric B 9 x 30.5cm (3½ x 12in) rectangle, lining up the corners. Stitch through the lines and trim to a 6mm (¼in) seam allowance to create the "roof".

3 Make the chimney strip from the smallest square (fabric B) and the two narrow fabric C strips, as shown.

4 Make two window units by adding a 6.5 x 9cm (2½ x 3½in) fabric A rectangle to the short ends of each 9 x 11.5cm (3½ x 4½in) fabric C rectangle.

5 Make the door unit by stitching together the remaining fabric A rectangle to the 6.5 x 14cm (2½ x 5½in) fabric C rectangle.

6 Stitch together the window and door units by adding the remaining four fabric A strips to the long edges. Then stitch together the chimney and roof elements.

7 Stitch the roof and house together to complete the 30.5cm (12in) square block.
