

Press the
seams to
the left

3 With wrong sides facing up, press the seams of the top and bottom rows to the right, and of the middle row to the left.

4 To make the front, with right sides together, pin, then stitch the top and middle rows together, matching the seams (see p.62). Pin and stitch the bottom row to the middle row in the same way. Repeat to make the back. Press the seams of the front downwards and the seams of the back upwards.

5 With right sides together, stitch together the squares for the base in two rows of four squares. Pin, then stitch the two rows together, matching the seams. With the wrong side facing up, press this seam open.

Press open the
seam joining
the two rows

Do not sew
beyond the
first and
last pins

6 With right sides together, pin the lower edge of the front of the bag to one long edge of the base, matching the centre seams. Sew together, taking care not to sew beyond the pins marked in Step 2. Stitch the lower edge of the back of the bag to the other long edge of the base in the same way. Press the seams away from the base.
