

17 With right sides together, pin and stitch an aqua border to each of the two opposite sides of the centre block, leaving a 1cm ($\frac{3}{8}$ in) seam allowance. Press the seams towards the borders.

18 Using the large pale green and jade green triangles and following Steps 9 and 10, make four large quarter-square triangles. With right sides together, pin one quarter-square triangle to each end of the two blue borders, matching the pale green triangles to the short edges. Stitch the short edges, leaving a 1cm ($\frac{3}{8}$ in) seam allowance. Press the seams towards the borders.

19 With right sides together and matching the seams, pin the blue borders to the centre block and their attached quarter-square triangles to the short edges of the aqua borders. Stitch, leaving a 1cm ($\frac{3}{8}$ in) seam allowance. Press the seams towards the borders and the large quarter-square triangles. The front of the cushion cover is now complete.
