

Sale of Products in 2021	=	Rs. 7073 Cr
Sale of Service in 2021	=	Rs. 178 Cr
Other Operating Revenue in 2021	=	Rs. 178 Cr

Thus, Total Sales of the company in 2021

$$= \text{Rs. 7073 Cr} + \text{Rs. 178 Cr} + \text{Rs. 42 Cr}$$

$$= \text{Rs. 7293 Cr}$$

While conducting Financial Statement Analysis in general, we will try and break down things into smaller parts and then understand each part for the same. That is the general approach for each line item.
