Once you have entered the OCI value, the last thing to enter is the EPS (Diluted) value. 2021's value will be Rs. 22.24 per share, and 2020's value will be Rs. 21.97 per share. So in the sheet, we have all the numbers to understand the profit after tax. So these are the income statements for the two years of 2020 and 2021.
