

ESOPs are options given to employees which can be converted to shares at a very nominal price after 2-3 years. This benefits the employees when the share price goes up. This acts as an incentive for the employee's as they get rewarded beyond salary, when the company as whole grows. Thus, ESOPs are Employee Stock Options Schemes a company issues from time to time to motivate the employees.

ESOPs $\rightarrow$ Converted into shares after 2-3 years $\rightarrow$ at a very nominal price

This company came up with ESOPs scheme in 2012 and 2016. ESOPs can be granted under ESOP scheme 2012, in subsequent years as well. We can see details of ESOPs granted under each plan over here. This is reported by the company in each annual report.
