b) In March 2020, the World Health Organisation declared COVID 19 to be a pandemic. As a result, the operations of the Group were impacted in FY21 with several lockdowns announced by the government. Further disruption in the supply chain of raw materials and services, and the impact of the pandemic on the demand for Covid patients. The situation gradually normalised from Q3 FY21 onward. However the Second wave of Covid again disrupted operations in certain part of the country in April 2021.

The Group has evaluated the impact of Covid 19 on the operations, other booking and revenue, cash flow, assets and liabilities and forecasted in the impact of FY1 upto the date of approval of these financial statements on the carrying value of its assets and liabilities.

Even though, it is very difficult to predict the duration of the disruption and severity of its impact, on the basis of evaluation of the financial statements, the Group has concluded that the impact of Covid 19 on the operations, other booking and revenue, cash flow, assets and liabilities, and forecasted in the impact of FY1 upto the date of approval of these financial statements on the carrying value of its assets and liabilities. The Group expects to recover the carrying amount of these assets and currently does not anticipate any further impairment of it. In assessing the recoverability, the Group has considered internal and external information upto the date of approval of these financial statements and has concluded that there are no material impact on the operations and the financial position of the Group.

Given the uncertainties, the impact of COVID-19 may be different from that estimated as at the date of approval of these financial statements, and the Group will continue to closely monitor the developments.

i) During the previous year, the Company had paid Interim Dividend of ₹7.00 per equity share of ₹1 each for the financial year 2019-20.

j) The Indian Parliament has approved the Code on Social Security, 2020 which would impact the contributions of employees towards the Code on Social Security, 2020. The Company has assessed the impact of the Code on Social Security, 2020 on its operations and has concluded that the impact of the Code on Social Security, 2020 on 13th November 2020, and has invited suggestions from stakeholders which are under active consideration by the Ministry. The Company and its Indian subsidiaries will assess the impact and its evaluation once the subject rules are notified and will give appropriate impact in its financial statements in the period in which, the Code becomes effective and the related rules to determine the financial impact are published.

57 Events after reporting period

a) On 22nd April 2021, the Company's shareholding in its subsidiary namely M/s. Chry Polyurethanes Pvt Ltd (CPYU), has increased from 70% to 100%, pursuant to the acquisition of the balance 29.24% equity shares from certain other shareholders, in accordance with the provisions of the shareholders agreement dated 5th January 2018. Consequently, to this, CPYU is now a wholly owned subsidiary of the Company. The consideration of ₹60.49 crores (excluding certain contingent payment) has been paid in cash.

b) Proposed dividend of ₹8.50 per Equity Share of ₹1 each recommended by the Board of Directors at its meeting held on 12th May 2021. The proposed dividend is subject to approval at the ensuing Annual General Meeting of the Company and hence is not recognised as a liability.

58 Approval of financial statements

The consolidated financial statements are approved for issue by the Audit Committee and by the Board of Directors at their respective meetings held on 12th May 2021.

We need to identify companies with a large percentage of consolidated net assets. We can see two companies with a decent share of the net assets, at around 4% combined value of the company's total net assets - Pidlite Adhesives has around 2% share. This is because we cannot evaluate each subsidiary so we focus on the large ones. However, if the slope of analysis is large - one may take time to understand each subsidiary.
