DISCONTINUED OPERATIONS

In the previous unit, we learned to analyze different business segments. Now let's understand the remaining parts that need to be analyzed.

Discontinued Operations	
Future Impact on Revenue of discontinued operations	
Future impact on profits and profitability	
Assets and liabilities released with discontiuing of operation	

These are the parts of the business that have been discontinued or shut DOWN by the company. The company shuts down certain plants and factories, or it may exit particular product lines or divisions. These are called Discontinued Operations. But it is a must for the company to report Discontinued Operations in its Income Statement and the financials at large.
