EMPLOYEE BENEFIT

EXPENSES

In the previous unit, we understood different business segments. Let us now understand employee benefit expenses, for which we need to go back to the income statement. We can find a detailed breakdown of Employee Benefit Expenses in the notes to accounts.

Employee Benefits Expenses can be divided into two types-

1. Employee Benefits Expenses (Paid yearly/ At service)

Examples include salary and wages that are to be paid yearly or at service. These form the larger category.
