

PITCH TO US SECTION

Go to the official website of potential investor that you have identified and find the “pitch to us” section. Most companies will have this section, where you can reach out to them. You will be given an application form which you must fill out carefully. The form will have many questions, and it might take more than 2 to 3 hours to complete.

Find out if the company or firm is interested in your business. Ask questions about market size, traction level, about the founders, etc.
