

We saw how sample pitch decks and templates can be used to create an outline for your pitch deck.

Let's go through these sample pitch decks and understand different items. You can visit piktochart.com/blog/startup-pitch-decks to refer old pitch decks of successful companies. These can be excellent reference points. You can look up for past pitch decks of more companies too on the internet. Let us look at pitch decks for companies from the above link. You can borrow ideas to build your pitch decks.
