

5.4 PREPARING THE PITCH DECK: COMMON MISTAKES TO AVOID

We have discussed in detail about pitch decks so far. We learned about the outline, various templates, content, and design. In the previous section, we also shared some important tips to keep in mind while making the pitch deck.

mistakes

COMMON MISTAKES WITH PITCH DECK

This section will be about the typical mistakes that any first-time founder can make while preparing the pitch deck. Also, preparing the pitch deck is an iterative process and you will keep on updating the same as business changes. The common mistakes with the pitch decks are:

NOT FOLLOWING
THE FORMAT

THE LENGTH OF
THE PITCH DECK

TOO MANY
JARGONS

TEXT HEAVY
SLIDES

UNPROFESSIONAL
PITCH DECK

TOO LONG
PITCH DECK
