

UNPROFESSIONAL pitch deck

A lot of pitch decks are often unprofessional in terms of both content and design. Some examples can be:

Forgetting to name the founding team or other critical information

Using weird colors that have no connection to your brand or logo

Creating basic ppts which look incomplete

Using a typical font that makes the pitch deck difficult to read

Such mistakes add a layer of friction from the investor's point of view. The investor might simply skip your pitch deck after just a glance. You are asking for a third party to invest capital towards your idea. Thus, you wouldn't want your pitch deck to be unprofessional.

Making the pitch deck professional is not that hard, and it won't take much time.
