WRITTEN COMMUNICATION

You will be mainly using the elevator pitch to write cover messages. When you send the pitch deck to a cold email, you will write two or four lines about your business and the opportunity. Here again, you will be using your elevator pitch.

Cover writing is also an elevator pitch but in writing.

Now there are numerous things that you can include in an elevator pitch -there is no right or wrong. The ultimate idea is to communicate what you are working on and get them excited so that they want to know more.

Reid Hoffman
(Co-founder, LinkedIn)

One of the best layout for elevator pitch has been discussed by Mr. Reid Hoffman, one of the co-founders of LinkedIn. Mr. Hoffman is also a veteran investor in startups, explains the elevator pitch using this particular layout:
