

1. ORGANOGRAM AND HIRING PLAN

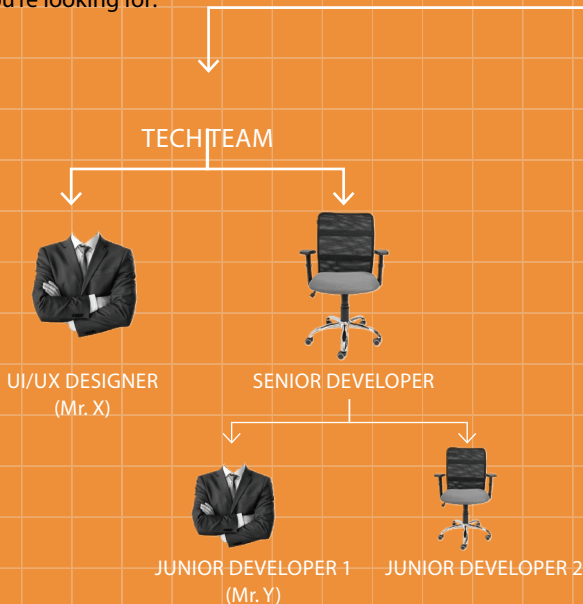

This document will describe how you plan to structure your team or organization.

Let us assume that you are the CEO and searching for someone who can look after the technical side of things.

CEO
(You)

Now for the tech side of things, you're looking for:

MARKETING TEAM

Here you are looking for someone who will be responsible for the following:

DIGITALS
(Mr. Z)

So let's say that you know Mr. X, and now you are looking to hire a senior developer. Also, you have one junior developer in your team and are looking for another (Mr. Y).
