

Now that you have understood this process, this is to be repeated with investors who show interest. Beyond this, it is upon the investors whether they would invest or pass on this opportunity.

They can pass on it at any step:

On getting the pitch deck

After questions and answers

after discussing the valuations

1 CR X 12 MONTHS
X 4 TIMES SALES VALUE
= 50 CRORES

after the first meeting

Now, if they say yes to putting their capital into your business, what are the next steps? Let us, look at the paperwork and the process after getting a yes.

So, now we will meet in the concluding chapter of this book. We have all the requisites to talk to investors.
