

2.3 DOES YOUR BUSINESS NEED FUNDRAISE?

Previously we had discussed fundraise and what to expect. So now that we understand what we are getting ourselves into and what the positive and the negative are, let us discuss all the relevant questions about getting started.

So the first question we will discuss here is, do you even need a fundraise?

If yes, are you ready as a business for a fundraise?

Simply speaking, is your market, team, and approach ready for the process?

Is your business ready for a third party to put in the extra capital and grow your business at pace.

These are two of the most important questions that you need to find answers to before you learn about how things work. So it is crucial clarity on these two whether your business raise, and if yes, are you ready as a business?
