

There's no single book that can guarantee you raising money.

It ultimately depends on you and your business. This book will give you a holistic picture of what the fundraising process looks like and how one can better prepare for it.

Who have raised capital for their businesses

Who are talking to investors but have not raised the first cheque yet.

WE HAVE SPOKEN TO PEOPLE

Who have given up and taken an alternative path or even people who had to shut down their businesses.

This is not only because they did not get capital but also because the business did not do well in
