

FREEMEN!

OF

TENNESSEE!

The Yankee War is now being waged for "beauty and booty." They have driven us from them, and now say OUR TRADE they must and will have. To excite their hired and ruffian soldiers, they promise them our lands, and tell them our women are beautiful---that beauty is the reward of the brave.

Tennesseans! your country calls! Shall we wait until our homes are laid desolate; until sword and rape shall have visited them? NEVER! Then

TO ARMS!

and let us meet the enemy on the borders. Who so vile, so craven, as not to strike for his native land?

The undersigned propose to immediately raise an infantry company to be offered to the Governor as part of the defense of the State and of the Confederate States. All those who desire to join with us in serving our common country, will report themselves immediately.
