

AFTER

Defeat chastened the North, while the Confederates anticipated that further successes would soon follow—a dangerous assumption, as it turned out.

NORTHERN PLANS

Northerners had expected a swift win, and they found themselves rudely disabused of the idea that their moral superiority would lead to an easy victory. Many recognized the necessity of improved discipline and organization.

A WASTED WINTER

GENERAL JOSEPH E. JOHNSTON

While the North began to mobilize its substantial material resources, the Confederacy rested on its laurels. This nearly led to the disastrous defeats in the spring of 1862 with Johnston's early setbacks in the [Peninsula Campaign](#), and much of Tennessee lost.
