

5 Dance Brothers Revolver (Confederate) The Union blockade forced the Confederacy to increase arms production in the South. J. H. Dance and Brothers of Columbia, Texas, manufactured between 325 and 500 revolvers modeled on the Colt Dragon.

6 Smith & Wesson Model 1 Revolver (Union) was the first firearm produced by the company, commencing in 1857. It held seven .22 short rimfire cartridges.
