

THE MANDALORIAN

The best in the parsec

The Mandalorian, or Mando for short, is a bounty hunter in the Outer Rim and part of the Nevarro covert. Mando is a member of the Bounty Hunters Guild and is well respected for his success at his job. He uses his pay to support the covert.

Things you need to know about the Mandalorian

- 1** Mando's real name is Din Djarin. As a child, he was rescued from a battlefield by a unit of Mandalorians.
- 2** He then became a foundling and was raised to become a Mandalorian warrior.
- 3** Mando believes strongly in a set of rules known as the Way. Not all Mandalorians believe the same thing.
- 4** His armor has some pieces made of pure beskar. He gains new pieces of armor as he travels around the galaxy.
