

BOBA FETT

Legendary bounty hunter

Boba Fett is a legendary name in the criminal underworld and has been a bounty hunter for decades. The motivations of the man under the helmet may sometimes be mysterious, but he helps Mando rescue Grogu as part of a deal.

Things you need to know about Boba Fett

- 1** His father, Jango Fett, provided his DNA for the clone troopers of the Republic.
- 2** Jango requested one unaltered clone, Boba. The younger Fett does not like being compared to the clone troopers.
- 3** Boba was trained from childhood to be a bounty hunter and is one of the greatest.
- 4** Jango was a Mandalorian foundling, so Boba is viewed by some as a Mandalorian.
- 5** Boba possesses Tusken Raider weapons.
