

THE ARMORER

This is the Way

The Armorer is a wise member of the Mandalorian covert on Nevarro. She helps maintain her fellow Mandalorians' weapons and armor and also crafts new items for them.

Things you need to know about the Armorer

- 1** The Armorer on Nevarro is known only by her title.
- 2** Mandalorians respect armorers and listen to their advice.
- 3** Beskar is a rare metal found naturally on some worlds in Mandalorian space.
- 4** Only Mandalorian armorers can craft beskar into suits of armor.
- 5** While the Armorer normally uses her tools for smithing, she can also use them to defend herself from Imperials.
