

TORO CALICAN

Aspiring hunter

Toro Calican is a brash young man who wants to be a famous bounty hunter. He has a tracking fob for dangerous mercenary Fennec Shand and teams up with Mando to capture her.

Things you need to know about Toro Calican

- 1** Toro Calican is not experienced at bounty hunting, and Mando has to save his life multiple times on the mission.
- 2** Toro owns a pair of brand new quadnoculars. He can use this piece of technology to look at things in the distance.
- 3** For the trek into the desert, Toro drives a 712-AvA speeder bike that was built by the Aratech Repulsor Company.
