

MIGS MAYFELD

Sharpshooting mercenary

Migs Mayfeld used to be an Imperial sharpshooter, but he left the Empire toward the end of the Galactic Civil War. He now works for Ranzar Malk and leads Malk's mercenary crew on missions.

Things you need to know about Mayfeld

- 1** Mayfeld is unbelievably accurate with a blaster. He was an elite trooper in the Imperial Army.
- 2** Migs wears a special backpack on his shoulder that has a metal arm. He can use his mind to operate the arm and fire a third blaster.
- 3** Mayfeld is sent to the Karthon Chop Fields by the New Republic, where he has to serve a sentence of 50 years.
- 4** Migs left the Imperial army because he hated seeing his fellow soldiers dying during missions toward the end of the war.
