

MALK'S CREW

Malk has put together a small team for a prison-break mission. Each crew member has unique skills or attributes that will be useful. The unruly crew is led by Migs Mayfeld and joined by the Mandalorian.

A droid's eyes are called photoreceptors

Q9-0

Q9-0, or Zero, is a former protocol droid who has now turned to a life of crime. He is the crew's pilot and stays aboard the *Razor Crest*.
