

INTRODUCTION

While the Empire may have been defeated, the new galactic government, named the New Republic, does not have complete control over the galaxy, particularly in the Outer Rim. Groups of Imperial forces are operating in the area, and members of the Bounty Hunters Guild track down criminals for money.

Following the Great Purge of Mandalore, the Mandalorian people are few in number and scattered across the galaxy, hiding in their coverts. One Mandalorian bounty hunter plies his risky trade in the Outer Rim.
