

FROG LADY

Very important passenger

Known only as Frog Lady on Tatooine, this individual is desperate to reunite with her partner on the moon named Trask. Mando transports her on the *Razor Crest*, but the trip doesn't go according to plan!

Things you need to know about Frog lady

- 1** Frog Lady keeps her last eggs in a special, temperature-controlled backpack. They are very delicate and will be destroyed if Mando's ship enters hyperspace.
- 2** Frog Lady is an excellent shot with her Shard-3A holdout cluster blaster and is also a proficient droidsmith.
- 3** She has a long tongue that she can use to grab things far away from her.
- 4** Frog Lady can also hop if she needs to move quickly, especially when she's being chased by hungry ice spiders!
