

CARSON TEVA

X-wing pilot

Carson Teva is a member of the New Republic Navy who helps ensure order in parts of the Outer Rim. He worries that the Imperial Remnant still operating in the area might become a big problem for the New Republic.

Things you need to know about Carson Teva

- 1** Carson often flies alongside fellow pilot Trapper Wolf.
- 2** Teva flies a T-65 X-wing on his patrols around the Outer Rim.
- 3** He carries an A280 blaster rifle in his X-wing and is a good shot.
- 4** Carson helps Mando, Grogu, and Frog Lady when they are attacked by ice spiders on Maldo Kreis.
- 5** He is based at a New Republic outpost on Adelphi.
