Increases his own powers through control of kinetic energy and draining the energy of others; projects force blasts.

He might have a stylish spandex costume, but Maelstrom sometimes seemed out of his depth as a Super Villain.

MAELSTROM

The seeds of a Super Villain's behavior can often be found in their childhood. The hybrid child of a Deviant and an INHUMAN, Maelstrom's birth caused consternation. His mother was killed for giving birth to him, and as a child he was forced to work in Deviant slave pits until rescued by his father, the brilliant geneticist Phaeder.

Following in his father's footsteps, Maelstrom traded information on genetics with various dubious individuals including RED SKULL, MAGNETO, and the HIGH EVOLUTIONARY. Their use of this knowledge caused untold suffering: the Nazi genetic

atrocities and various clones of SPIDER-MAN were direct results of Maelstrom's collaborations.

A desperately lonely individual, Maelstrom looked for an antidote to his unhappiness in plans to end the Multiverse. Destroyed by QUASAR when he first attempted this, he was resurrected and tried again. This time, Mr. Immortal of the GREAT LAKES AVENGERS tricked Maelstrom into committing suicide—a humiliating way to die. **AD**

**THE MAGGIA**

- 1 Silvermane
- 2 Count Nefaria
- 3 Hammerhead

MAGGIA

The Maggia is the world's most powerful crime syndicate. The organization's operations are worldwide, though its roots began in southern Europe during the 13th century and it spread to the United States in the 1890s. The Maggia has its fingers in gambling, narcotics, loan-sharking, organized labor, and crooked politics. Those who betray the Maggia are executed, often with a death-grip to the chin nicknamed the "Maggia touch."

The three largest Maggia families active in New York City include the SILVERMANE family, the HAMMERHEAD family, and the Nefaria family. The Silvermanes are a traditionally-structured crime network controlling the narcotics trade. The Hammerheads are styled in the fashion of 1920s gangsters, and are led by the flat-topped Hammerhead. The Nefarias, organized by COUNT NEFARIA, are the most colorful of the three families, frequently employing costumed criminals to further their schemes. Early in his career, the gang boss KINGPIN was one of the Maggia's most successful rivals. **AD**
