PHANTOM RIDER

With his luminescent cloak and magician's skills, the Phantom Rider appeared to be flying.

Originally a schoolteacher in the Wild West, Carter Slade was shot by a ruthless local land baron, but a Comanche Indian called Flaming Star saved his life. After Carter recovered, Flaming Star gave him a white horse and a cloak covered with a phosphorescent dust. Styling himself the Phantom Rider, Carter began a one-man battle against injustice.

Not knowing that the Phantom Rider was his brother, Marshall Lincoln Slade teamed up with him to battle the Reverend Reaper, a vicious gunfighter set on taking control of Bison Bend, the town Carter had sworn to protect. In their final confrontation, both Carter and the reverend died. Learning the truth about his brother, Lincoln decided to follow in his footsteps. He later went mad and died while battling a time-traveling MOCKINGBIRD.

In modern times, Lincoln's descendent, archaeologist Hamilton Slade, became a modern day Phantom Rider. Recently, Nick FURY made J.T. Slade—Carter's grandson—a member of his new Secret Warriors team. J.T. can charge weapons (like a chain) with fire, and he calls himself Hellfire.

AD, MF

With guile and some magnificent devices, the Phantom Rider stayed one step ahead of local miscreants.
