SPECIAL POWERS/ABILITIES Lila Cheney possesses the mutant ability to teleport herself and other people and objects over intergalactic distances.

An acclaimed rock singer on Earth, Lila Cheney simultaneously pursued a very different career among the stars. Employing her mutant gift to teleport herself, Lila gained a reputation as one of the foremost thieves in the universe. She was an ally of the New Mutants, and a romance with Cannonball led her to curtail her criminal activities. Since their breakup, it remains to be seen whether she has abandoned her outlaw life for good. **TB**

CHTHON

Chthon is one of the major Elder Gods who first appeared on Earth, shortly before humans appeared on the planet. Chthon and his sister god Gaea inhabited the portions of Earth which were covered by land (not the seas or the skies) and probably helped create Earth's land masses as they appear today.

Being a scholar, Chthon wrote upon a parchment all the mystical knowledge of the world he had acquired to that point. This document became known as the Darkhold. Chthon hoped to use the Darkhold as a way to manipulate earthly pawns, as well as a magical talisman that could function as an earthly portal, enabling Chthon to one day return to Earth. **MT**

FIRST APPEARANCE

Incredible Hulk Vol. 1 #3

(September 1962)

Most of the members of the Circus of Crime have skills and abilities that fit their job descriptions; these they then adapt for criminal purposes. Princess Python is a snake charmer; Rajah is an elephant trainer; and Live Wire possesses an electrified lariat.

The Ringmaster's mechanism has enough range to hypnotize a capacity crowd in a sports arena.

CIRCUS OF CRIME

Operating under many different commercial names, the Circus of Crime is constantly traveling around the country. They usually enter a small town and give away a large quantity of free tickets in order to ensure a full house. Once the show has begun, the Ringmaster uses a hypnotic device in his top hat to place the audience in a deep trance. The audience is robbed and sometimes the entire town is looted. A post-hypnotic suggestion usually prevents the Ringmaster's victims from identifying any members of the Circus or from remembering any details of the crime. They only recall having had a great time at the circus!

Despite the Ringmaster's skills, and those of his accomplices, the Circus has not always got away with its mass robberies. When the Ringmaster tried to turn HULK into a monstrous attraction, he was unable to hypnotize the enraged green giant—with inevitable results. **TB**

Originally from Austria, the Ringmaster moved his circus to America where he believed he could strike it rich. However, he only turned to crime when his small band were unable to compete with the larger circus shows.
