Minute by minute

Jen Yu is a skilled martial artist. After chasing Lo, a handsome bandit who has stolen her comb, she finds herself in his desert camp surrounded by brigands, and takes every one of them on in an acrobatic fight sequence.

of *wuxia*. To get to the heart of its role in the Chinese psyche, he felt he had to “use Freudian or Western techniques to dissect what... is hidden in a repressed society—the sexual tension, the prohibited feelings.” In other words, he consciously used a Western approach to filmmaking to uncover a psychological meaning behind the action.

Left unsaid

Most earlier *wuxia* movies pitched the viewer straight into the combat. However, *Crouching Tiger, Hidden Dragon* opens with a five-minute-long dialogue between a noble swordsman, Li Mu Bai (Chow Yun-fat) and a female warrior, Shu Lien (Michelle Yeoh). The story is set in the 18th century, during the Qing Dynasty. Li Mu Bai has retired from fighting and has joined a monastery as a path to enlightenment, but neither he nor Shu Lien can cast aside their love for each other, or »

“I would rather be a ghost drifting by your side as a condemned soul than enter heaven without you. Because of your love, I will never be a lonely spirit.”
