Samsung Galaxy S25 Edge unveiled

Samsung officially launched the Galaxy S25 Edge with a 5.8mm ultra-slim body, Snapdragon 8 Elite processor, 6.7-inch QHD+ AMOLED display, 200MP main camera, and Android 15 with One UI 7. The S25 Edge's design hallmark is its titanium frame and Corning

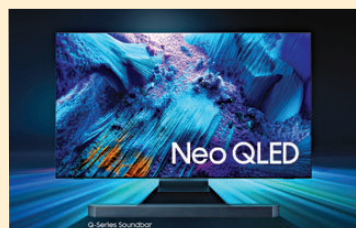

Gorilla Glass Ceramic 2 protection, which Samsung says offers improved durability over previous generations. It also carries an IP68 rating for dust and water resistance. The S25 Edge features a 200MP main camera with f/1.7 aperture and OIS, offering what Samsung

calls "2x optical quality zoom," along with a 12MP ultrawide lens with autofocus and macro capabilities. A 12MP front-facing camera handles selfie duties. The Galaxy S25 Edge runs Android 15 with One UI 7, and AI capabilities. tinyurl.com/cubersdsf
