Acer Nitro V 15 with 50 series GPU launches in India

Acer has officially launched the Nitro V 15 gaming laptops with RTX 50 series GPUs in India, prices starting at ₹89,999 for the Intel Core i5 variant and at ₹99,999 for the more powerful Intel Core i7 model. The laptop is powered by up to a 13th Gen Intel Core i7-13620H processor paired with the NVIDIA GeForce RTX 5060 GPU with DLSS 4, promising smooth, stutter-free gameplay and enhanced graphics performance for any

demanding AAA titles. It sports a 15.6-inch Full HD display with a fast 165Hz refresh rate, making it ideal for competitive gaming, as well as

immersive content creation and multitasking. The Nitro V 15 also features up to 32GB of DDR5 RAM, and a spacious 2TB SSD for storage. With AI-driven enhancements, DTS:X Ultra audio, Wi-Fi 6 connectivity, Thunderbolt 4 support, and a dedicated Copilot Key for productivity, Acer is positioning this laptop as a versatile machine built to serve gamers, creators, working professionals, and students alike.
