Samsung One UI 8 update rolls out: Supported devices and multiple new features

Samsung has officially begun rolling out the One UI 8 update to the Galaxy S25 series, with more devices like the Galaxy S24, S23, S22, Z Fold/Flip, FE models, Galaxy Tabs, and some select Galaxy A-series phones receiving it later this year across various regions worldwide. Key features include the Now Bar for tracking real-time app activity, Now Brief for personalized updates, and Google integrations like Gemini Live, offering smarter, more seamless, highly intuitive, and engaging user experiences with enhanced performance, improved multitasking, and multiple additional customization options. The staged rollout varies from region to region, and users can check availability manually via Settings > Software Update anytime. tinyurl.com/1ui8s25

■ **SOCIAL MEDIA UPDATES**

Instagram launches official iPad app after many years of user demand

Meta has officially launched the long-awaited Instagram app for iPad, fully optimized for larger screens and specifically designed to

make navigation smoother, faster, and significantly more intuitive for tablet users. The layout prominently

places Reels at the center, Stories on top, and a convenient sidebar for feeds, DMs, Explore, Search, and notifications, making multitasking easier and content discovery more seamless. Users can switch seamlessly between All, Friends, and Latest feeds, reorder sections according to personal preference, and enjoy redesigned comments and messaging for a more engaging, interactive, and immersive social media experience overall. Available on iPads running iPadOS 15.1 or later, the app will also bring its new, tablet-friendly design, enhanced performance, and interface improvements to Android devices soon. tinyurl.com/ipad57ig

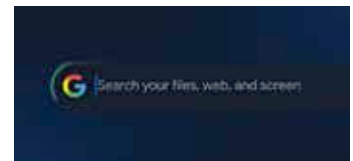

New UPI rules kicked off from Sept 15: Here's what's new

From September 15, 2025, NPCI raised UPI limits: Rs 5 lakh per transaction for insurance, EMI, government payments, travel, and forex (daily cap at Rs 10 lakh). Jewellery Rs 2 lakh; credit cards Rs 5 lakh.
