

HOME PROJECTORS

66 Lumio Arc 5

Compact at just 1.33kg, the Arc 5 is the entry point into Lumio's projector lineup. Setup is simple with autofocus, auto keystone, and obstacle avoidance which is a rarity in this budget, while 5W Dolby Audio speakers and Google TV with certified Netflix make it a plug-and-play option for everyday entertainment.

67 Lumio Arc 7

The Arc 7 is a Google TV projector with certified Netflix, HDR10, and up to 100-inch visuals with 400 ANSI lumens powered by Lumio's ArcLight Engine. With auto focus, auto keystone, and obstacle avoidance, setup is seamless. Add 16W Dolby Audio speakers and HDMI ARC support, and you've got an affordable big-screen entertainment solution.

68 Viewsonic M1 Max

A compact 1080p projector with built-in Google TV and native Netflix, offering effortless streaming on the go. Its 3-in-1 stand enables 360° projection, while Harman Kardon speakers add punchy audio. With an integrated battery, USB-C streaming, Wi-Fi casting, and auto focus/keystone, it's a versatile pick for movies anywhere.

69 Benq V5010i

If you want a cinematic experience in your living room without mounting a massive TV, the BenQ V5010i is one of the strongest picks. It delivers true 4K UHD resolution via RGB laser, with 2,500 ANSI lumens brightness and a massive contrast ratio (~2,500,000:1) so both bright daylight scenes and deep blacks look crisp. Its ultra-short-throw design

lets you get a 100-inch image from just ~22 cm away, perfect for small to large spaces. Colour reproduction is excellent – 98% DCI-P3 – and HDR formats (HDR10, HDR10+, HLG) are well supported. It includes a built-in 40 W sound system + modern inputs (HDMI 2.1, eARC), Android TV streaming, and automatic keystone & corner fit. You can't go wrong with this one.

70 Formovie Theater Premium

This triple-laser UST projector delivers a true cinema experience at home with 2,200 lumens brightness, sharp 4K visuals, Dolby Vision and HDR10+ support. Bowers & Wilkins speakers add rich Dolby Atmos sound, while Google TV with native Netflix keeps things simple. A premium pick for immersive big-screen viewing.

APPLIANCES

71 Dyson Purifier Cool Formaldehyde (TP09)

For ₹49,900, this premium air purifier + cooling fan combo detects and destroys formaldehyde, while capturing 99.95% of particles down to 0.1 microns using a sealed HEPA H13 + activated carbon filtration system. It uses Dyson's Air Multiplier™ tech to evenly circulate purified air across rooms. App and voice support (Alexa, Google) allow scheduling, filter status monitoring, and remote control.

pressor and energy-saving modes, it's built for Indian summers. Depending on star rating and offers, recent listings show it at ₹32,490 to ₹41,490 for 3-star / 5-star variants.

73 Polycab Divina UL5 BLDC

The Polycab Divina UL5 BLDC 1230 mm ceiling fan blends style and tech: it comes with a 5-star rated, energy-efficient BLDC motor, whisper-quiet operation, and premium finish. With five large plastic/ABS blades, 100% copper winding, and a sweep of 1230 mm, it delivers airflow of 215 CMM while drawing only 42 W power. RPM is about 340. Remote control lets you adjust speeds easily. The fan includes a two-year warranty on motor and body, which is an added bonus.

74 Dreame K10 Pro Wet Dry Vacuum Cleaner

Weighing just 3.8kg, it's easy to carry upstairs, while forward propulsion takes the effort out of pushing. A large 890ml water tank and long battery life mean fewer interruptions, and the edge brush with hair-detangling system ensures corners and tight spots get the same spotless treatment. With voice prompts and an LED display, you always know what's happening.

72 LG 1.5 Ton AI+ Dual Inverter Split AC

This smart AC offers 6-in-1 convertible cooling, AI learning (to optimize performance), WiFi / ThinQ control, and features like Viraat Mode & ADC sensor. With a dual inverter com-

75 AO Smith HeatBot WiFi Storage Water Heater

This smart storage geyser (25 litre vertical) supports voice / app control, scheduling, multiple modes, and tells you when to adjust based on usage. Get it and start talking to your geyser.
