

■ LAPTOP LAUNCH

Dell Pro 14 Essential and Dell Pro 15 Essential laptops launch

Dell has launched the Pro 14 Essential and Pro 15 Essential laptops in India, targeting SMBs with enterprise-grade performance, security, and durability at accessible prices starting from ₹31,999. Available in 14-inch and 15-inch variants with Intel or AMD processors, they feature

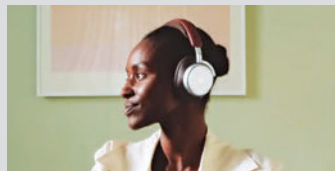

up to 2.5K displays, hardware encryption, fingerprint security, cloud-based fleet management, and sustainability-focused designs using recycled materials. Worth considering if you desire more than just a basic, consumer grade laptop for your business. tinyurl.com/dp14la

Sennheiser HDB 630 with 'audiophile sound', ANC launched

Sennheiser has launched the HDB 630, a premium headphone priced at \$499.95 (~₹44,000), featuring a 42mm transducer, Adaptive Noise Cancellation, and Bluetooth 5.2 with aptX Adaptive. It supports 24-bit/96kHz high-resolution audio wired or via USB-C, and includes a Smart Control Plus app for EQ and Crossfeed customization. Weighing 320g, it offers 60-hour battery life. <https://tinyurl.com/shdb36>

B&O celebrates 100 years with Centennial Collection

Bang & Olufsen launched The Centennial Collection to mark its 100-year anniversary. The special-edition lineup features new variants of the Beoplay H100 headphones, and the Beosound A5 and Beosound A9 speakers. The collection celebrates B&O's heritage, focusing on iconic design elements, high-quality craftsmanship, and superior sound. Mark of top notch audio, eh? Timeless epic. tinyurl.com/4r2tap8d

Samsung Galaxy XR launched with Android-based OS

Samsung has launched the Galaxy XR, the first Android XR headset with built-in Gemini AI, powered by Snapdragon XR2+ Gen 2, 16GB RAM, and a 4K Micro-OLED display with 109° FOV. Priced at \$1,799, it supports standard Android apps, multimodal control via voice, vision, and gestures, and targets both immersive entertainment and enterprise use, with global availability starting October 21. tinyurl.com/sg1xr
