Powered by OPPO, with SanDisk as the Storage Partner, the Skoar! College Cup: Delhi Edition 2026 successfully showcased the scale and potential of collegiate esports in India. The event was further strengthened with Giga-byte as the Gifting Partner, and

the valuable support of our Associate Partners: Lumio, OneUp, and JBL, all of whom played an important role in enhancing the overall experience for participants and attendees.

From live-streamed matches to on-ground engagement, the

event reflected the growing professionalism and enthusiasm within the student gaming community. As the curtains close on this year's Delhi edition, one thing is clear: collegiate esports is no longer emerging. It's here, and it's only getting bigger. ■
