

■ SMARTPHONE LAUNCH

Nothing's new Phone 4a Pro and Phone 4a launched in India

Nothing has launched the Phone 4a series globally, including the Phone 4a and Phone 4a Pro, bringing upgrades in design, performance, and cameras. Both phones feature Nothing's signature transparent design, upgraded Glyph lighting, and run on Android 16 with Snapdragon 7 series processors. The Phone 4a offers a 120Hz AMOLED display, 50MP triple camera setup, and a 5,400mAh battery, while the Pro variant steps up with a 144Hz display, better camera system, and LPDDR5X RAM. Prices in India start at Rs 31,999 for the Phone 4a and Rs 39,999 for the Phone 4a Pro, with sales beginning March 13 across major retailers. tinyurl.com/f73hdb2

■ DESKTOP LAUNCHED

Asus launches V501 desktop with 64 GB expandable memory from ₹42,990
