

Eye Wonder

Whales & Dolphins

Plunge into the ocean and meet
these mysterious sea creatures.

From blue whales and belugas to diving
dolphins, travel through the waves to discover
a breathtaking underwater kingdom.

Packed with facts, accessible text, and dramatic,
atmospheric photography, *Eye Wonders* are the
perfect educational start for young children.

Consultant Kim Dennis-Bryan PhD, a fellow of the Zoological
Society of London, worked for many years at the Natural History
Museum. She now lectures on evolution and mammal anatomy.
