

Hotel Barcelona is releasing on Switch 2

The indie horror game Hotel Barcelona is coming to Nintendo Switch and Switch 2. The version, published by Eden Industries and co-developed with White Owls Inc., will include the base game, all major updates, and the new Late Check-Out DLC. Multiplayer support, including online co-op and PvP invasion mode, has also been confirmed. The game is priced at \$34.99, though there is no release date yet. Hotel Barcelona originally launched in September 2025. tinyurl.com/9cuj90sa

Forza Horizon 6 launched on 19th May, 2026

Forza Horizon 6 is finally out for all players after a week of Premium Edition early access. The game offers plenty of side activities. Players can capture stunning photos across Japan using an advanced photo mode, explore scenic routes with the new auto-drive feature, and freely roam the map in drone mode. Horizon 6 also introduces estate customisation and even food delivery missions, letting players experience everyday Japanese life beyond the Horizon Festival races. tinyurl.com/b78c1s

PS5 exclusive games will not come to PC

Sony may stop bringing narrative single-player PlayStation exclusives to PC. PlayStation CEO reportedly confirmed the shift during an internal townhall meeting, though Sony has not commented yet. Multiplayer and live-service games are still expected to launch across platforms. If true, upcoming titles like Ghost of Yōtei, Saros, and Marvel's Wolverine could remain PS5 exclusives. Ghost of Yōtei follows Ghost of Tsushima, while Saros is Housemarque's new sci-fi action game. tinyurl.com/hc89s16

GTA 6 is not getting delayed and a new trailer can arrive soon

GTA 6 is still set to launch on November 19, 2026, with Take-Two reportedly confirming the date during a shareholder earnings call. The company expects major revenue growth driven by the game's release, easing fears of another delay. Meanwhile, rumours suggest a third GTA 6 trailer could arrive on May 26, according to leakster Graczdari_91. The leak also hints at possible GTA 6 content during Sony's June 2 State of Play event, though Rockstar has not officially confirmed anything yet. tinyurl.com/gh7cw891

Sony increases PS Plus subscription prices for all plans in India

Sony's first State of Play 2026 delivered some major reveals across genres. God of War: Sons of Sparta launched instantly, while the original trilogy is being remade. Resident Evil: Requiem showed Leon's return. A AAA John Wick game and 007 First Light's expanded cinematic universes. Pragmata received a release date of April 25, 2026, and Death Stranding 2: On the Beach confirmed a PC launch. The showcase signalled a bold, nostalgia driven yet forward looking PlayStation lineup. tinyurl.com/7ui9899
