

REFRIGERATOR

Elevating kitchens with style and smart cooling

VALUE FOR MONEY FRENCH DOOR

Haier Lumière 4-Door

The Haier Lumière 4-Door undercuts the expensive French Door competitors while still packing a massive 520L capacity. It features India's first coloured exterior display, an Expert Inverter Compressor with dual fans, all that while carrying the 90L convertible zone. The value is hard to beat at it's mid-range price tag.

BEST FRENCH DOOR REFRIGERATOR

LG GV-K25FFGFB

The LG GV-K25FFGFB takes the top spot in the French Door category because of it's smart features like InstaView knock-twice glass, a massive 610L capacity, a non-plumbing auto ice maker, DoorCooling+ for uniform temperatures, and full ThinQ Wi-Fi control. It is the complete package for anyone looking to buy a French Door.

BEST SIDE-BY-SIDE REFRIGERATOR

Samsung RS76CB81A312HL

The Samsung RS76CB81A312HL wins on sheer intelligence. It packs a massive 653L capacity, while coming with smart features like Twin Cooling Plus. It also packs AI features like the AI Energy Mode that can trim consumption by up to 10%. The Convertible 5-in-1 design is very practical and it features a 10-year compressor warranty.

VALUE FOR MONEY SIDE-BY-SIDE

Toshiba GR-RS682WE-PMI

The Toshiba GR-RS682WE-PMI brings side-by-side in a 560L package. It features a smart dual Inverter compressor and fan for stable low-noise cooling. Features like super cooling and super freezing modes, built-in water dispenser, and the addition of 10-year compressor warranty make it a complete and accessible package.
