

VALUE FOR MONEY DOUBLE DOOR

Samsung RT80H51C3BHL

The Samsung RT80H51C3BHL comes with the flagship grade features on budget. It features a 467L capacity, while carrying features like Convertible 5-in-1 modes for flexible storage. The Compressor comes with a 10-year warranty. It also has SmartThings Wi-Fi monitoring, making it a value for money double door package.

BEST DOUBLE DOOR REFRIGERATOR

Bosch KDN86AIDOI

The Bosch KDN86AIDOI wins the Best Double Door category with clean sweeps thanks to it's massive scale and german engineering. It comes with a massive 641L XXL capacity for families of seven-plus. Multi airflow cooling, VitaFresh Plus for longer-lasting produce, and a German build quality make it an even better package.

BEST SINGLE DOOR REFRIGERATOR

Samsung RR21H2H25BB

The Samsung RR21H2H25BB tops the single-door category thanks to its 5-star BEE rating for energy efficiency, a Digital Inverter Compressor carrying a solid 10-year warranty, the convenient Stabiliser Free Operation for erratic voltage conditions, and its striking Crown Door design that elevates the whole kitchen.

VALUE FOR MONEY SINGLE DOOR

LG GTD2156ZHS

The LG GTD2156ZHS wins in the value prospects as it proves that budget refrigerators don't need to feel basic or cheaply built. It features a 5-star rated 201L single-door unit with a Smart Inverter Compressor and Auto Smart Connect that keeps food fresh and your house safe even during power cuts.
